## Project Update — Monticello Avenue Sanitary Sewer & Water Main Replacement

10/6/20

The \$4.3 million water and sanitary sewer improvement project currently underway along Monticello Avenue has been delayed due to unforeseen conflicts with the existing old infrastructure.

**Current work in progress:** Installation of sanitary sewer in Princess Anne Rd/Monticello Ave intersection

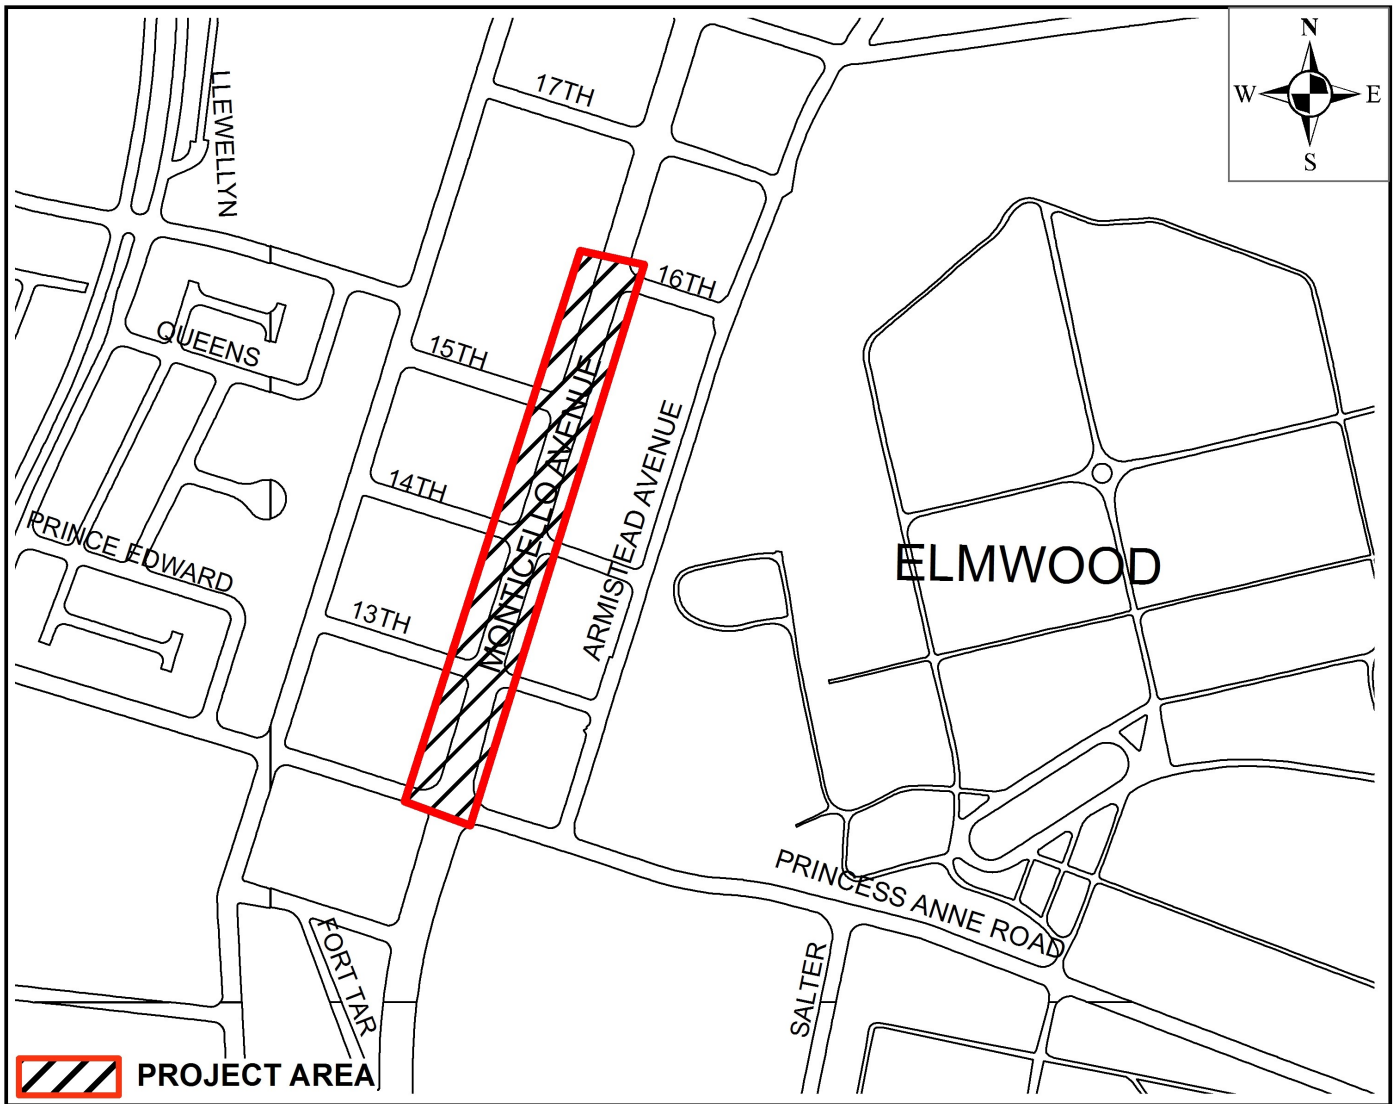

**Future work planned:** Restoration of pavement in intersection and along Monticello Ave

**Anticipated completion:** First quarter 2021

We continue to work closely with the contractor to complete the work quickly while minimizing adverse impacts to the community.

If you have any questions or concerns, please do not hesitate to contact the city's on-site construction inspector, Michael Gomes. He can be reached by cell phone at 757-390-7535 to respond quickly. You may also contact the project manager, Gabriel Phelps, at 757-354-7726.

Visit [www.norfolk.gov/utilitiesimprovements](http://www.norfolk.gov/utilitiesimprovements) for more information.
